5. Methods for Determining Resources

a. AFDC-related individuals (except for poverty level related pregnant women, infants, and children).

(1) In determining countable resources for AFDC-related individuals, the following methods are used:

(a) The methods under the State's approved AFDC plan; and

— (b) The methods under the State's approved AFDC plan and/or any more liberal methods described in Supplement 8b to ATTACHMENT 2.6-A

(2) In determining relative financial responsibility, the agency considers only the resources of spouses living in the same household as available to spouses and the resources of parents as available to children living with parents until the children become 21.
